

# UNIVERSITY MISSOURIAN.

VOLUME II.

COLUMBIA, MISSOURI, THURSDAY, JULY 21, 1910.

NUMBER 225.

## MANY SIDE-SHOWS AT FAIR NEXT WEEK

Merry-Go-Round, Doll Racks and Snake-Eater Will be Attractions.

## "JUNGLE OF THE WORLD"

Amusement and Refreshment Concessions Will Crowd the Grounds.

The number of attractions and side-shows at the Boone County Fair this year will be larger than ever before, according to W. J. Carter, who has in charge the granting and management of concessions. More than were present last year already have made arrangements for space on the grounds, and a large number have stated that they would be here, but no contracts with them have been closed.

Most of the side shows will arrive in Columbia the first of next week. As the deals for space are often delayed until the show reaches a town, the exact number and the shows they will present cannot be accurately figured. But there are about fifteen concession men who have closed contracts with the association, and have stated that they will be in Columbia fair week.

### Ferris Wheel Will Be There.

A ferris wheel, owned by the White Carnival Company, will be erected on the grounds. The same company has a carnival show or minstrels, which will be presented here.

"The Jungle of the World," a museum of the freaks and wonders in the different animal kingdoms, will be another feature that, according to its reputation, should prove attractive. Freaks and monstrosities of reptiles, birds and the like, will be on exhibition in their tent.

J. T. McClellan, owner of the merry-

## WOMEN OWN HORSES.

Three Entered in Races Next Week Belong to "Fair Sex."

Three women are owners of horses which will be entered in the races at the Boone county fair next week. Mrs. J. A. Lehr, of Eldorado, Kan., owns "The Mayor." He is a pacer, entered in three races—Wednesday, Thursday and Friday. If "The Mayor" wins all three races, Mrs. Lehr will add \$2,000 to her bank account.

"Lady Van Doren," a black mare, is owned by Mrs. W. E. Daoust, of St. Louis. The "Lady" is entered in the \$1,000 pacing race for Thursday.

Mrs. A. B. Glatheart, of Lawrence, Kan., has entered "Ethel L.," a gray mare in the 2:25 trotting race Thursday. The purse is \$500.

go-round that has been in Columbia several times the last five or six years, will be here this season. The machine is in Columbia at present, and it will be set up and put in repair for use Saturday. It has been stored in Columbia.

### May Limit Doll Racks.

The large number of doll racks that are seen every year may be reduced this season. Mr. Carter is considering a deal for the exclusive rights on the ground, and although no contract has been drawn, the concession may be limited to one man or company.

"Jones, the Snake-Eater," who was in Columbia last season, has closed a contract to be here this year. He is the one who goes away with the reptiles by the way of his esophagus and it is said that he really likes them.

Several snake and freak shows have written Mr. Carter, stating that they would be in Columbia next week, but the contracts with all of them have not been closed. A number of the most attractive concessions that could be obtained may not show up in Columbia and buy space until the opening day of the fair.

The Missouri Store company has rented the space in the Floral Hall reserved for a soda fountain, and they will operate a concession there. The right for the sale of lemonade on the quarter stretch has been purchased by Edward Barnes.

## NAMES AND OWNERS OF ALL ENTRIES IN HARNESS RACES

### TUESDAY.

## BOONE COUNTY FAIR BIGGEST AND BEST

204 Horses From All Parts of United States are Entered in Harness Races.

TEN THOUSAND DOLLARS IS OFFERED IN PREMIUMS

All the Stalls are Taken and Tents May be Used—Roads Will Give Special Service All Week.

The Boone County Fair which begins next Tuesday and continues four days, will be the biggest and most successful effort of the Boone County Agricultural and Mechanical Society in the history of the organization, according to reports from the men who know and from the preparations that are being made. It is a known fact that county fairs are not money making institutions, and that nearly all of them have suffered losses, not because of the liberal premiums that are often offered, but on account of the lack of patronage from the general public.

With Columbia, it apparently has been different. The fairs held in this county in the past have been successes, both in regard to finances and interest. The members of the fair association state that they have received the best support that could be asked for in the past, and consequently the fairs in this county have been pronounced as the best county fairs in the state.

The prospects for a successful fair this year have been increased over this year are considered the best in years last year, and in view of the excellent by the directors of the association and racing prospect, several additions and all who are interested in making repairs have been made for the accommodation of the horses that will be present. The race track has been worked on for the last month, and in an effort to get it into the best shape possible the association has spent several hundred dollars in grading it.

The management this year has spared no time or expense to make the fair a success. The premiums and awards
